

Hole Sponsorship Sign-Up

Our mission is to serve and mobilize the church to live out God's heart for the poor so all can grow in Christ and spiritually multiply. One tangible way this works is through the products and programs which address the needs of the

poor. The tools of outreach which build connections to the poor include offering clothing and blankets for the homeless; school supplies and new shoes for children in need; and holiday meals for families.

The Cru Open will aim to raise funding that allows us to expand the tangible ways we reach out to those who are poor and struggling right here in our community of Minneapolis and St. Paul. Specifically, our goal is to expand the number of PowerPacks™ we distribute to children in need by 1,500.
